Insurance Log

Used by Insurance Agents and Auditors to keep track of which students purchase insurance each month. The simulation records section is used to track the monthly insurance simulator results. You may need additional copies of this form for your classroom.

Insurance Purchases

Student name	Months									
	Home	Auto	Home	Auto	Home	Auto	Home	Auto	Home	Auto

Simulation Records

	Months																			
Result in $ (home)																				
Result in $ (auto)
